## Men's Shoes

The best is always the cheapest tho some times when buying they look high. The best sometimes disappoints us, but the cheap ones will fool you most every time. If you feel you must skimp a little, take it out of your clothes or underwear, but never out of your shoes. Buy the very best every time for your feet. We decided two years ago to buy every time the very best things possible for the feet. We are today showing, both in leather and rubber goods, the best quality of shoes made in the world. We mean this—every word of it, and we declare to you that a man's fine shoe to retail at \$3.50, \$4, \$5 and \$6, are the **Walkovers** and **Nettletons**. If there is a work shoe from \$3.50 to \$7 that will wear longer, stay softer and nearer dry than **Menzies**, we don't know it. These **Menzies** people call their boys' shoes, "American Boy" they are the same high class wear resisters as the men's. They cost you \$2, \$2.50, \$3 and \$3.50 in boys; we have all these new. You will have to have them when it rains.

From reports which are coming to the Interior Journal Lincoln county democrats are practically solid for the nomination of Beckham for senator next year. Prominent men of the party who were never for him before are strong for him this time. Every democrat who loves fair play is bound to admit that the party owes him this nomination, and that it is up to the democracy to make amends for the treachery in the legislature which elected Bradley. The I. J. wants to know how every democrat in the county stands on this matter. No democrat who believes in a square deal and fair play to the party's nominees can afford to take any other position than that the party must retrieve the dishonor cast upon it when its nominee was beaten by traitors in its ranks. It won't do to trust any democrat with office or honor who holds any other position.

The shattering of the Turkish empire by the Balkan Alliance marks an important epoch in the world-wide conflict between Christianity and Infidelity. The whole of Europe may now be said to be under Christian sovereignty. The hope of the missionaries "the World for Christ" is being fulfilled by force of arms just now as well as by moral suasion.

### Eubanks.

Mrs. E. S. Hays has returned to her home here from an extended visit to her parents in Louisville.

Dr. T. J. Acton was in Louisville from Monday until Thursday of last week attending the meeting of the State Medical Society.

Dwight McDonald is rapidly recovering from a lingering illness of typhoid fever.

Harlan Newell is able to sit up in his room all day after being confined to his bed for three months.

Gov. Wilson and Judge Smith carried Eubank voting precinct by a large majority, as predicted several weeks before the election.

Col. Finicum, who resided near Buncombe, aged 70 years, departed this life November 4, of Bright's disease. He served as Colonel in the Union Army during the Civil War. He was one of the most highly respected citizens of the county and was wealthy. The friends and relatives here have the sympathy of the entire community in their sad bereavement.

### Only a Fire Hero.

But the crowd cheered, as, with burned hands, he held up a small round box, "Fellows!" he shouted, this Bucklen's Arnica Salve I hold, has everything beat for burns. Right also for boils, ulcers, sores, pimples, eczema, cuts, sprains, bruises. Surest pile cure. It subdues inflammation kills pain. Only 25c at all druggists.

It is so much easier to tell others how to do a thing than it is to do it yourself.

## Nature's Way Is The Best.

Buried deep in our American forest we find bloodroot, queen's root, manna and stone root, golden seal, Oregon grape root and cherry bark. Of these Dr. R. V. Pierce made a pure glyceric extract which has been favorably known for over forty years. He called it "Golden Medical Discovery."

This "Discovery" purifies the blood and tones up the stomach and the entire system in Nature's own way. It's just the tissue builder and tonic you require when recovering from a hard cold, grip, or pneumonia. No matter how strong the constitution the stomach is apt to be "out of kilter" at times; in consequence the blood is disordered, for the stomach is the laboratory for the constant manufacture of blood. Dr. Pierce's Golden Medical Discovery strengthens the stomach—

J. G. KENT, Esq.

puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body. The weak, nervous, run-down, debilitated condition which so many people experience at this time of the year is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin—you feel "blue."

"More than a week ago I was suffering with an awful cold in my head, throat, breast, and body," writes Mr. James G. Kent, of 719 L. Street, S. E., Washington, D. C. "Some called it La Grippe, some pneumonia. I was advised by a friend to try a bottle of your 'Golden Medical Discovery.' I tried a bottle and it did me so much good that I feel safe in saying it is the greatest and best medicine that I ever took. My health is much better than it was before using your medicine. It does all you claim for it and is satisfactory."

## A Permanent Cure For Chronic Constipation

Although those may dispute it who have not tried it, yet thousands of others, who speak from personal experience, assert that there is a permanent cure for chronic constipation. Some testify they were cured for as little as fifty cents, years ago, and that the trouble never came back on them, while others admit they took several bottles before a steady cure was brought about. The remedy referred to is Dr. Caldwell's Syrup Pepsin. It has been on the market for over a quarter of a century and has been popularized on its merits, by one person, telling another. The fact that its strongest supporters are women and elderly people—the ones most persistently constipated—makes it certain that the claims regarding it as a permanent cure for constipation have not been exaggerated.

It is not violent like cathartic pills, salts or waters, but operates gently,

without griping and without shock to the system. It contains tonic properties that strengthen the stomach and bowel muscles so that in time medicines of all kinds can be dispensed with and nature is again solely relied on. Among the legions who testify to these facts are J. F. Blankenship, Sharon, Tenn., and Beulah L. Rogers, Kosmosdale, Ky., and they always have a bottle of it in the house, for it is a reliable laxative for all the family from infancy to old age.

Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. R. Caldwell, 405 Washington St., Monticello, Ill. Your name and address on a postal card will do.
